

Dear Missionary Candidates,

Emanuel Mexico Mission, an Indiana 501c3 charity, has a 50 year rich history of loving and caring for abused, abandoned and homeless children of Mexico. We are seeking couples or families to replace retired House Parents to continue this legacy with up to 16 boys from San Luis Potosi Mexico. The enclosed job description explains the role & importance of the House Parents.

The benefits provided to the selected House Parents include:

- Personal apartment within a large secured multi-level facility which includes bedrooms for the boys as well as a Kitchen, Dining room, study room, family room, Laundry, patio, parking space and onsite church,
- Onsite meals and transportation (15 passenger van),
- Assistance and experience from the Mission to raise support for salary and health insurance.
- Full experienced support team including a US & Mexico Board of Directors, US & Mexico Field Directors, Onsite Pastor & staff, Mexico Attorney and Financial Manager, and substitute House Parents (for periodic time away).

We encourage anyone interested in being a missionary that can give hope to young abandoned, abused and homeless boys of Mexico to call to discuss this position and to have any questions answered. You can make an immediate and lifelong impact to these boys.

Kirk Douglas
